

OnTrak™ Program Overview

OnTrak is personalized just for you. It's designed to help you improve your health and live better. If you are looking for a fresh start and want to get the most out of life, OnTrak may be able to help.

How We Help

It's time to feel better. Our mission is to support you in reaching your goals for health and well-being. OnTrak has helped many people facing difficult challenges. We are here to help you too.

A few areas where OnTrak may help you:

- Overall healthy living
- Depression
- Smoking
- Drinking
- Anxiety
- Weight
- Chronic pain
- Drug use

The OnTrak program is a team effort. As an OnTrak member, you receive:

Individual Care Coaching by a Nurse – Your nurse Care Coach will listen to you and support you with compassion and without judgment. Your Care Coach is always there to encourage you toward your goals.

One-on-one Counseling – Your counselor will work with you on what is most important to you. You may discover new ways to face challenges and manage difficult situations.

Specialist Visits – If recommended, you may visit an OnTrak doctor or dietitian for certain conditions.

OnTrak is designed for you. It's confidential and convenient. You complete the program at your own pace, on your own time.

Want to be happier with your quality of life?

The OnTrak program may be your answer.
